# The Problem

- Students and staffs often lose important documents
- Findind the rightful owner is difficult
- Notice board and word of mouth are not effective
- Many found documents remain uclaimed

# OUR PROJECT IDEA

# FindIt

A web based plartform for finding missing documents

Users can upload, search or report found items  
The system stores and matches documents information

Owners are notified when a match is found

# FindIt

## Solution

Allow users to upload and search for missing items easily  
Creating a smarter way to re-unite people with their lost documents
